Floral decorations

For the bride and groom

Bouquet:

The bouquet has a very special role of the wedding day as it will accompany the bride all day long.

Buttonhole:

A small floral touch positioned on the buttonhole of the groom's jacket, the groomsmen and the parents of the wedding couple. The flowers are to match the bride's dress and bouquet.

Corsage:

A floral bracelet worn by the mother and grandma of the bride and close friends. The flowers are to match the bride's dress and bouquet.
